PLEASE NOTE: This chart will continue to be updated throughout the FY 20 Appropriations process. Updates at www.nnedv.org/funding.

* Rescissions: Final bills often include rescissions. The final bills included the following rescissions from OVW from unobligated or deobligated funds: FY 15 \$16 million; FY17 \$10 million; FY18 \$15 million, FY19 \$10 million.

¥ ICJR was formerly named the Grants to Encourage Arrest Program (GTEAP). Since FY12 Congress has included a \$4 million set aside in ICJR for a homicide reduction initiative.

‡ VAWA 2013 consolidated youth and prevention programs into two programs (CHOOSE and SMART), which have been further consolidated via appropriations for the past several years.

⌘ The Rape Survivors Child Custody Act boosts VAWA funding for states that allow for women to petition for the termination of parental rights based on clear & convincing evidence that a child was conceived through rape.

^ VOCA transfers to VAWA. In FY16-FY18 Congress transferred money from VOCA to VAWA (FY 16 = \$379 million, FY17 \$326 million, FY18 = \$492 million, FY19 \$497.50). The victim advocacy field objects to these transfers.

¶ VOCA: VOCA: We request that annual release of VOCA funds are at least based on the three year average of deposits into the Crime Victims Fund. Tribal funding: We support establishing a VOCA Tribal funding stream at 10% of VOCA funds. The FY 18 final bill includes a 3% set aside for Tribes. The President's proposed FY 19 Budget and the House and Senate CJS bills include a 5% set aside. Transfers and Rescissions: We object to proposals and bills that transfer funds from Crime Victims Fund to other accounts. Additionally we strongly object to the President's Proposal that permanently rescinds \$2.5 billion from the VOCA fund, as this violates the statute and threatens to destabilize the Crime Victims Fund.

** Funding would maintain and increase capacity of the National Domestic Violence Hotline, fund a tribal domestic violence hotline and other hotline-related projects.

^o FVPSA, the National Domestic Violence Hotline, and DELTA are authorized through FVPSA. We support an additional \$1 million for the Alaska Tribal Resource Center on Domestic Violence, which would build capacity in tribes across the State to develop effective, local responses to domestic violence. FY18, FY19 bills provide \$5 million additional funding for tribes.

^Δ PHHSBG is authorized through the Public Health Services Act and includes a mandatory set-aside for providing services to rape victims and for rape prevention.

[~] First time set aside funding for domestic violence rapid rehousing projects, out of the Continuum of Care Program, administered by the SNAPS Office at HUD.
